

REMARKS

Claims 10 and 16 that were rejected have been amended to call for obtaining feature set information that includes fiducial points from the first view of the human face and the second view of the human face. This correlates to the stated reasons for allowance set forth on page 4, paragraph 4 of the office action and, therefore, the present application should now be in condition for allowance.

Respectfully submitted,

Date: March 15, 2007
